This Term's dates

Friday 11th September: Individual photos

Friday 2nd, Monday 5th and Tuesday 6th October: school closed for training.

Monday & Tuesday 9th & 10th November: SEN reviews

Tuesday 10th November: Open evening

School Photos

Individual photos are being taken this Friday morning. As usual photos with younger siblings not in school yet will be first. After that we will take photos with siblings within school. Individual photos will only be taken of children who haven't had their photo taken in a group, unless you ask for one to be taken.

Dinner Money and Milk

The cost of school dinners has increased to £1.87 per day (£1.63 for children in F1). That will be £9.35 per week (£8.15 for children in F1). Please remember all dinner money should be paid in advance.

Milk for this term is £9.80. Children who are eligible for free school meals may receive free milk. Please let the office know. The closing date for milk orders is Friday 18th September.

Please make sure we have your correct mobile phone number. We are increasingly using our text message service to communicate.

Remember that school is closed on Friday 2nd, Monday 5th and Tuesday 6th October for training.

Welcome Back

Welcome back to the new school year. We are delighted to have Mr Hawke, Mr Walters and Mr Faben join the school staff, teaching Year 6, Foundation Stage and PE respectively.

We continue to make improvements to the school site. The conversion of the former caretaker's flat should be completed by the end of this week. Breakfast club and After School Club will be based there from next week. Work continues in the Foundation Stage play area, which should also be completed this week. Thanks for your cooperation during the disruption. The girls toilets on the top floor have been decorated and a new cover built in the Junior playground.

School Uniform

Thank you that nearly all our children are wearing the school uniform this term. Please remember that children should wear a school fleece, cardigan or sweatshirt with the school name on, and not a plain cardigan or sweatshirt. Plain shirts, t-shirts are fine, although school ones are available.

By far the majority of children's fleeces and sweatshirts are un-named. Please ensure that your child's name is on both labels. We will name them ourselves if they remain un-named.

Arriving on time: 8.55am

Congratulations and thanks that most children are arriving on time. However, when children are late, they must report to the school office to ensure that their attendance is marked.

Please also remember to let school know if your child will be absent. Please use the phone or text number above.
