GDPR Privacy Notice for pupils and their families

Schools are currently required to inform pupils and their families about how their personal data may be collected and used. This requirement has been in place since May 2018 when the General Data Protection Regulation (GDPR) came into effect.

Who processes your information?

The Executive Headteacher & Head of School are the Data Controllers of the personal information you provide to us. This means the school determines the purposes for which, and the manner in which, any personal data relating to pupils and their families is to be processed. The Executive Headteacher & Head of School can be contacted on 0114 2344461 or at enquiries@st-marys.sheffield.sch.uk.

In some cases, your data will be outsourced to a third party processor; however, this will only be done with your consent, unless the law requires the school to share your data. Where the school outsources data to a third party processor, the same data protection standards that St Mary's Church of England Academy, Walkley upholds are imposed on the processor.

Clare Sturman is the Data Protection Officer. Her role is to oversee and monitor the school's data protection procedures, and to ensure they are compliant with the GDPR. The Data Protection Officer can be contacted on 01709 718640 or csturman@dsat.education
