

St Mary's Mag

PE Kit

We have an increasing number of pupils missing their PE kit on PE days. Please keep PE kits in school for at least the week so all pupils can participate in lessons.

If pupils turn up to a PE after school club without their kit, we will call you and ask you to collect them from school. Thank you.

Winter is coming

Please ensure that your child has the appropriate clothing for the weather.

We do go outside in all weather conditions so pupils will need a coat and other winter clothing items. Please label everything clearly.

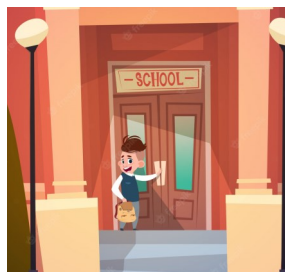

Tweet Tweet

Just a reminder that we do show off some of the fantastic learning that happens in school on our Twitter page. You will also find pictures of fun experiences that classes and the whole school take part in and we often retweet useful information from other sources such as St Mary's church and Sheffield City Council etc. If you haven't already, please follow us at @stmarys_walkley

Key Stage One Yard

Currently pupils line up on the yard in the morning and their teachers bring them into class. Some parents are leaving their children on the yard unsupervised which increases the risk of the pupil leaving the school premises.

Therefore, from tomorrow (Tuesday 10th October), we ask that Key Stage One pupils are brought to the front door by their parent and pupils then walk into school and into their classroom. Thank you for your understanding.

HARVEST APPEAL 2ND - 23RD OCTOBER

We urgently need the following items:

Tinned food
